## Know Something We Don't?

You can submit new cheats for this game and help our users gain an edge.

## Big Buck Hunter Pro for Windows Mobile

1. Simple concept, challenging execution: shoot the three biggest whitetail bucks you can find (per site) without hitting any does. But be careful -- innocent does and crafty critters will try to distract your keen hunters eye at every step. With a combination of kill distance, impact location (where you hit the deer), and number of shots for the kill, a skilled hunter can achieve Big Buck Hunter Pro glory.
