

A Light In The Dark lyrics by Next To Normal - original song full text. Official A Light In The Dark lyrics, 2022 version | LyricsMode.com

Dan: One light shines in the drive
One single sign That our house is alive. Our house, our own
So why do I Live there alone?

Tell me why I Wait through the night, And why do I Leave on the light?
You know—I know, Our house was A home long ago. Take this chance,
'Cause it may be our last To be free, To let go of the past, And to try,
To be husband and wife, To let love never die Or to just live our life.

Take my hand, And let me take you heart, Keep it far
From what keeps us apart Let us start With a light in the dark.

Dan: Night falls, Diana: I stare at the walls. I stare at these walls...
I wake and wander The halls I get lost in these halls... And I ache to the bone...
It's like nothing I've known... Dan & Diana: I can't get through this alone.

Dan: Take this chance, And we'll make a new start Somewhere far
From what keeps us apart, And I swear that somewhere In the night
There's a light A light in the dark.

Next to Normal - Light Lyrics

2009 Broadway Next to Normal the Musical - Light Lyrics

NATALIE We need some light. First of all, we need some light. You can't sit here in the dark. And all alone, it's a sorry sight. It's just you and me. We'll live, you'll see.

DAN Night after night, We'd sit and wait for the morning light. But we've waited far too long. For all that's wrong to be made right.

DIANA Day after day, Wishing all our cares away. Trying to fight the things we feel, But some hurts never heal. Some ghost are never gone, But we go on, We still go on.

And you find some way to survive And you find out you don't have to be happy at all, To be happier alive.

NATALIE Day after day, Give me clouds, and rain and gray. Give me pain, if that's what's real.

HENRY & NATALIE It's the price we pay to feel.

DAN & DIANA The price of love is loss,

DAN But still we pay.

DAN & HENRY We love anyway.

GABE And when the night has finally gone. And when we see the new day dawn. We'll wonder how we wandered for so long, so blind. The wasted world we thought we knew, The light will make it look brand new. So

ALL Let it Let it Let it Let it Shine, shine, shine.

Day after day (day after day), We'll find the will to find our way. Knowing that the darkest skies will someday see the sun.

DAN When our long night is done,

DAN & NATALIE There will be light.

DIANA (There will be light. There will be light.)

ALL There will be light. When we open up our light. Sons and daughters, husbands, wives. Can fight that fight. There will be light. There will be light. There will be light. There will be light.
