Ten Years After

Ten Years After is an English blues-rock band, most popular in the late 1960s and early 1970s. Between 1968 and 1973, Ten Years After scored eight Top 40 albums on the UK Albums Chart. In addition they have had twelve albums enter the US Billboard 200, and are best known for their tracks "I'm Going Home", "Hear Me Calling", "I'd Love to Change the World" and "Love Like a Man". I can't keep from crying sometimes I can't keep from crying sometimes Oh momma she's dead and gone And I know I'm all alone I can't keep from crying sometimes Early in the morning About the break of day I fall down on my knees I fall down and I pray I think about my woman My woman who's long gone I can't keep from crying sometimes I can't keep from crying sometimes Oh momma she's dead and gone And I know I'm all alone I can't keep from crying sometimes Later in the evening I watch the sun go down I think about my woman But my woman Lord she ain't around My heart is filled with sadness And my eyes are filled with tears I can't keep from crying sometimes I can't keep from crying sometimes Oh momma she's dead and gone And I know I'm all alone I can't keep from crying sometimes

Ten Years After - I Can't Keep From Crying, Sometimes Lyrics

I can't keep from crying sometimes I can't keep from crying sometimes Oh momma she's dead and gone And I know I'm all alone I can't keep from crying sometimes

Early in the morning About the break of day I fall down on my knees I fall down and I pray I think about my woman My woman who's long gone I can't keep from crying sometimes I can't keep from crying sometimes

Oh momma she's dead and gone And I know I'm all alone I can't keep from crying sometimes Later in the evening I watch the sun go down I think about my woman

But my woman Lord she ain't around My heart is filled with sadness And my eyes are filled with tears I can't keep from crying sometimes I can't keep from crying sometimes Oh momma she's dead and gone And I know I'm all alone I can't keep from crying sometimes
