## **18 Tips For Giving Better Head**

**1. Teeth are bad, obviously.**

**2. Get comfortable.**

**3. Don't forget to hydrate.**

**4. Because you can't go wrong with a lot of saliva.**

**5. Know your own strength.**

**6. If you use your hands, pace yourself.**

- 7. In fact, using your hands and mouth together often leads to better results.**
- 8. Don't forget eye contact.**
- 9. Don't stop at the tip.**
- 10. Really explore that thing.**
- 11. And don't neglect the rest of their body. To quote the 20th century philosopher John Mayer...**
- 12. Especially the testicles. Don't forget those little guys.**
- 13. Don't be afraid to go back even further, if they're into into.**
- 14. Pay a lot of attention to body language.**
- 15. And if you can't read the signals, don't be afraid to just ask.**
- 16. Take control.**

**17. Make it fun for you too.**

**18. At the end of the day, the most important thing is consent.**
