A A

I miss you so much

I miss you so much that I kiss the air that goes on south which is the one you are breathing

and is tortured me to think

who you can find out there

I miss you so much

that your absence already makes me sick

that already I despair

and I need to call you

to remind you that I can't resist

Another night being without you, breathing that already you come back

that I'm going to become the moon of so much that I miss you

Another night being without you and dying in loneliness

waiting for you my love

soon because you hurt me much

I miss you so much

that I drink sips of dew

and I feel the touch of your lips, and I wanted to climb in the wind and run away where you are

I miss you so much

that is impossible not to suffer until I see you coming back, I need you in my life

without you I'm lost

I can't continue like this
