

Karaoke Strangers in the Night - Frank Sinatra - CDG, MP4, KFN

Strangers in the night exchanging glances
Wondering in the night what were the chances
We'd be sharing love before the night was through
Something in your eyes was so inviting
Something in your smile was so exciting
Something in my heart told me I must have you
Strangers in the night two lonely people
We were strangers in the night up to the moment
When we said our first hello little did we know
Love was just a glance away a warm embracing dance away
And ever since that night we've been together
Lovers at first sight in love forever
It turned out so right for strangers in the night
Love was just a glance away a warm embracing dance away
Ever since that night we've been together
Lovers at first sight in love forever
It turned out so right for strangers in the night
Doo bee doo bee doo
Doo doo doo dee ah
Da da da da da
Bee bee boo ba ba ba da da da da dee deh
