### About Ohio

Ohio /oo'haɪoʊ/ (listen) is a Midwestern state in the Great Lakes region of the United States. Of the fifty states, it is the 34th largest by area, the seventh most populous, and the tenth most densely populated. The state's capital and largest city is Columbus. The state takes its name from the Ohio River, whose name in turn originated from the Seneca word *ohi:yo'*, meaning "good river", "great river" or "large creek". Partitioned from the Northwest Territory, Ohio was the 17th state admitted to the Union on March 1, 1803, and the first under the Northwest Ordinance. Ohio is historically know...

# Dental Assistant Salary in Ohio. How Much Can I Earn?

## How Much Do Dental Assistants Earn in Ohio?

Ohio is home to a large population served by dentists always on the lookout for qualified dental assistants. These valuable healthcare employees work all over the state, but there are several large metropolitan areas in Ohio with major growth and impressive salaries for dental assistants.

Growth in jobs for dental assistants is strong in Ohio. Statistics indicate that there were 10,580 individuals employed in this career in the state in 2016. That number is expected to grow to nearly 12,000 by 2026 and keep growing.

Ohio is a great state to work as a dental assistant. The job market is strong and the demand for dental assistants is expected to continue to grow in the coming years. If you are thinking about becoming a dental assistant, Ohio is a great state to consider.

Dental assistants in Ohio work in a variety of settings, including private dental offices, clinics, and hospitals. They work closely with dentists and other dental professionals to provide quality care to patients. Dental assistants in Ohio must complete an accredited dental assisting program and pass a state-administered examination before they can be licensed to practice.

Dental assistants in Ohio earn salaries comparable to the national average, around \$40,000 per year. Those that make the most, because of experience, special skills or area and employer, can earn over \$58,000 annually.
